

Institut Malagache de Recherches Appliquées, n.d., IMRA Archives, Antananarivo.

Lecture by Breeanna Elliott (Yale) **Spirited Collaborations in Ethnopharmacology: The Limits of Laboratory Knowledge and Intellectual Property Frameworks at a Phytomedicine Research Institute in Madagascar**

Guest Lecture – 28.10.2024, 18:00–21:00

This lecture will provide fascinating insights into an ongoing research project. It will be of value to researchers in the fields of African History and beyond, engaging with spirits and ancestors in their work, as well as to anyone interested in the methodologies of oral history and ethnographic fieldwork.

The lecture will be followed by a reception.

Date: Friday, 28.10.2024, 18:00-21:00
Place: Alte Universität, Rheinsprung 9, Seminarraum -201
